

UW-Madison cov neeg ua haujlwm: Peb xav qhia rau nej txog tsab xov xwm uas tau xa rau cov meijig hnub no.

Txog: Ceeb toom rau kev noj qab haus huv txog COVID-19 – pab tam sim no kom txhob muaj kev ua nruj rau hauv tsev kawm ntawv ntxiv

Tshua txog cov meijig,

Tau ob hnub dhau los no pom tau tias muaj coob tus meijig, nyob hauv cov tsev nyob kawm ntawv thiab tawm sab nraum thaj chaw kawm ntawv, tau kis tus kab mob COVID-19 – tau kuaj pom muaj 112 leej rau hnub Zwj Feej (*Wednesday*) thiab 99 leeg rau hnub Zwj Teeb (*Thursday*). Ib qho txhawj tib yam, raws li kev taug qab nug pom tias coob tus cov meijig uas kis tus kab mob tau mus koom nrog tej qhov muaj neeg coob, tej thaum tsis npog qhov ncauj qhov ntswg.

Peb kuj paub rau hnub Zwj Teeb tias tus kab mob hloov txawv me me uas kis tau zoo tshaj [tau kuaj pom muaj nyob hauv Dane County lawm.](#)

Raws li peb tau pom rau thaum lub caij ntuj tsaug tas, cov kis tus kab mob COVID-19 yuav muaj coob tau sai, hauv thiab sab nraum tsev kawm ntawv tib si. **Nws tseem ceeb heev peb txhua tus yuav tsum tau ua tam sim no tswj cheem kom txhob kis thiab txhob muaj kev tswj nruj ntxiv, nyob hauv tsev kawm ntawv thiab tawm sab nraum.**

Txhawm muaj kuaj zoo ntxiv los, kev muaj neeg coob mus sib koom hauv tsev kis tus kab mob COVID-19 zoo. Peb to taub tias nws yog ib qho nyuaj rau thaum lub caij no no dhau los, tabsis nws tseem ceeb txhob mus koom lwm tus tsis yog nej tsev neeg.

Yog nej kuaj muaj tus kab mob lawm, thov cais tus kheej tas sim thiab ua raws kev kom ua thiaj muaj kev noj qab haus huv rau pejxeem. Yog tau qhia tias nej tau nyob ze ib tug mob, thov ua raws kev qhia cais tus kheej pab tiv thaiv ib tsoom hauv tsev kawm ntawv.

Txhua tus yuav tsum ua raws cov kev ceev faj ntxiv:

- Npog qhov ncauj qhov ntswg thaum tawm ntawm nej chav los tsev neeg mus
- Kuaj COVID-19 tas li ntxiv
- Txo kev tawm mus rau sab nraum
- Nyob kom sib nrug
- Ntxuav ob sab tes tas li

Rau xyuas daws txog qhov no, tsev kawm ntawv tau kom cov meijig hauv tej lub tsev nyob kawm ntawv yuav tsum kuaj txhua ob hnub. **Peb vam tias yuav tsis tau ua tej yam li cas ntxiv, tabsis peb yeej npaj muaj yuav tsum ua li cas, yog yuav tau ua xwb.**

Tej zaum cov no yuav muaj xws li: txwv los kaw cov chaw qhib rau kev ua si, cais cov meijig nyob rau tej lub tsev tsis pub tawm, kuaj cov meijig nyob tawm sab nraum tsev kawm ntawv

heev dua, thiab hais kom cov meyig nyob tom tsev, tsuas pub tuaj rau hoob kawm thiab ua haujlwm xwb.

Txawm tias qhov muaj kuaj zoo lub caij kawm no pab peb muab tau cov neeg mob ceev los, **kuaj xwb yuav pab tsis tau zoo txaus – peb yuav tsum ua raws cov kev kom ua thiaj muaj kev noj qab haus huv ntxiv.**

Xaus no, peb thov thiab kom nej yuav tsum ua tib zoo hais lus rau thiab hwm, cov neeg ua haujlwm rau qhov *Safer Badgers program*, thiab tiag yog cov ua num rau ntawm cov chaw kuaj. Cia lub caij kawm ntuj tsaug tas los ua ib qho chaw kawm rau peb thiab pab tswj kom txhob kis. Qhov no yuav pab tiv thaiv peb tsev neeg, cov phoojywg, cov neeg peb ua num nrog thiab ib tsoom hauv zej zog.

Ntaub ntawv qhia muaj tso ntxiv tas li nyob hauv <https://covidresponse.wisc.edu/>
