

## HMOOB / HMONG

Rau: Tag nrho cov mejyig, xibfwb thiab neeg ua haujlwm  
Tuaj ntawm: *Chancellor* Jennifer L. Mnookin  
Txog: Txais tos rau xyoo kawm ntawv tshiab  
Hnub: Cuaj Hli xiab 3, 2025

Tshua txog ib tsoom hauv tsev kawm ntawv:

Txaits tos (thiab txais tos rov tuaj)!

Tsis hais koj tuaj tshiab rau hauv UW-Madison los rov qab tuaj rau hauv tsev kawm ntawv, tuaj lwm sab hauv zos los lwm sab hauv ntiaj teb tuaj, kuv zoo siab txais tos koj rau xyoo kawm ntawv no.

Tsis muaj dab tsi zoo li thawj hnub kawm ntawv, muaj ntau yam yuav ua tau thiab tseem nquag heev. Pib txhua xyoo kawm ntawv yog tej yam xws li ib qho kev cog lus peb yuav kawm thiab nrhiav tej yam ua ke, ib qho kev sib koom txhawb xav paub, cuab zog thiab qhib kev rub ua ke thiab kev pom tshiab.

Lub caij ntuj tsaug no, muaj 10,000 tus mejyig tshiab tuaj koom peb (8,500 yog cov mejyig tuaj pib thawj xyoo thiab 1,300 yog cov pauv lwm qhov los) thiab 144 tus xibfwb tshiab yuav coj kev txawj tuaj pab txhawb tshiab rau peb lub tsev kawm ntawv. Nws yog ib lub caij zoo siab heev txais tso tag nrho cov nyuam qhuav tuaj thiab tag nrho cov rov qab tuaj rau Madison!

Yam puav qhia ntxiv tsis ntev no:

- Peb tau qhib cov qhov rooj rau peb lub tsev tshiab *Morgridge Hall*, ib qho chaw tshiab rau nrhiav kev tsim tshiab thiab sib koom kawm uas yuav pab rau tag nrho peb lub tsev kawm ntawv, yuav muaj kawm *computer science, data science, information science* thiabd *statistics* nyob rau tib lub tsev thawj zaug.
- Tsis deb ntawd, peb lub tsev tshiab rau kawm txog tib neeg (*humanities*), *Irving and Dorothy Levy Hall*, tab tom tsa thiab yuav qhib rau lub caij ntuj sov tom ntej, thiab qhov chaw tsis muaj dab tsi dav puab ntawm *Union South* yog ib lub tsev muaj twj tshiab *Philip A. Levy Engineering Center* yuav pib tsa rau xyoo no.
- Peb tau txais ib qho muaj cov HNUB QUB kub (STARS gold ranking) rau yog lub tsev kawm ntawv yuav ua kom muaj zoo kav ntev – ib qho kev ua cuag uas peb tau caum kom cuag los lawm ntau xyoo.
- Thiab peb tau txais yog ib lub tsev kawm ntawv qib siab 'Muaj Nqi Tshaj' ('*Best Value college*) los ntawm *The Princeton Review* thiab *Money Magazine*, thiab *the Center for World University Rankings* tam sim no tso peb rau thib #30 nyob hauv qab ntuj (in the world), uas muaj tshaj 21,000 lub tsev kawm ntawv qib siab.

Tib yam li yav tas, peb qhov ua tau zoo tshaj los ntawm peb cov neeg – cov xibfwb, neeg ua haujlwm thiab meyig uas muab kev pab tau zoo txhua hnub, los ntawm nrhiav kev sim cov neeg tau txais koom nruab nrog kom txhab tau noj tshuaj tas sim neej, rau kawm txog kev muaj siab ntawm ntiaj teb pib li cas thiab – tej zaum – lwm qhov nyob saum ntuj, rau tsim cov kev tshiab rau cov meyig pib lag luam, rau koom nrog cov neeg ua liaj teb cog cov qoob kom pab lub cev, cov qoob muaj taus mus ntev, rau npaj cov kws qhia ntawv thiab kws kuaj mob rau pab cov zej zog thoob plaws hauv Wisconsin, thiab ntawt ntawt yam ntxiv.

Nrog rau cov haujlwm no, UW-Madison, zoo tib yam li lwm lub tsev kawm ntawv qib siab muaj npe, tab tom muaj cov kev hais tsis zoo txog cov kev muaj nqi ua txhais /qhia tau peb los lawm ntev. Txawm tam sim no yog ib lub caij tsis paub yuav muaj zoo li cas los — tag nrho rau peb lub tsev kawm ntawv thiab kev kawm qib siab — peb yuav nrhiav kev tsim tshiab, sib koom, thiab kev coj ntxiv. Vim qhov ntawd yog qhov cov *Badgers* ua.

Qhov Wisconsin Idea qhia kom peb nco tias kev txawj ntse yog ib qho muaj zog tshaj thaum peb muaj nws sib qhia. Txhua zaus peb sib koom, txhua zaus peb ua num ua ke siv cov kev txawj no ua kom muaj kev pab, peb hawm lub tswv yim tias sib koom tsim tej yam uas peb tib leej xwb tsim tsis tau.

Li ntawd, tsis hais asthiv no yog thawj lub asthiv rau koj tam li ib tug *Badger* los yog xyoo 40 koj ua haujlwm rau nov, kuv vam tias koj yuav siv sijhawm ncig peb lub tsev kawm ntawv xyuas tej kev zoo nkauj, kom pom txhua yam, thiab xav txog koj cov kev ntshaw rau lub caij ntuj tsaug. Thiab kuv vam tias koj yuav hais ib lo lus zoo los hais nyob zoo rau ib tug koj tsis tau pom dua thiab pab peb tsim kom yog ib qho muaj kev sib rub ua ke – ib qho ua me me zuj zus.

Kuv zoo siab heev pom tias peb qhov kev ua tau zoo tshaj los lawm 177-xyoo muaj zoo li cas xyoo no – rau cov lus nug tsis tau muaj neeg nug txog, cov kev nrhiav tsim tshiab tsis tau muaj tshwm, cov kev sib tham uas yuav muab kev nyuaj rau peb xav thiab rub peb ua ke (li UW-Madison qhov Discussion Project los Deliberation Dinners – koom nrog kuv!), thiab ib qhov cim peb yuav ua kom muaj tseg — rau lub tsev kawm ntawv no, thoob plaws hauv Wisconsin, thiab tawm deb rau sab nraum. Ua ke.

Rau, *Wisconsin!*
